

NORTH CAROLINA

Licensed Acupuncturist

The National Commission certifies our Licensed Acupuncturist for the Certification of Acupuncturist and Oriental Medicine (NCCAOM). NCCAOM certification requires 1,800 hours of instruction, 1,000 hours of internship, passage of a comprehensive set of written and practical examination, successful completion of a course on clean needle techniques (the use of disposable needles only) and commitment to the professional code of ethics.

Our providers of acupuncture have met all of the requirements for licensing and certification to practice. Our M.D.'s practicing acupuncture received training through a continuing education program consisting of 300 hours of training, are members of the American Academy of Medical Acupuncture (AAMA) and have at least 1,000 hours of clinical practice in acupuncture.
